Redcat Family

For communicating
with the **whole**
classroom.

The Redcat Family with Exciter Technology provides students with full access to the teacher's natural voice. Redcat defines out-of-the-box usability. Its all-in-one design means no complex install, no steep learning curve.

Redcat Access™

Bring teacher's
natural VOICE
to today's flexible
classrooms

Crystal clear audio for dynamic classrooms

Redcat Access provides not only voice clarity for crystal clear audio of the teacher's voice, but also enables the expansion and flexibility for evolving classroom needs. It eliminates interference while giving students access to everything the teacher is saying.

Whole room audio for dynamic classrooms:

- Children who hear better learn better
- Full access to the teacher's natural voice
- Maximize time with students and on-task behavior
- No interference with other classroom technology
- Adaptable to new teaching methodologies

Product Features:

- Exciter technology for even sound distribution
- Access technology compatible with Flexcat for collaborative instruction
- Supports team teaching
- No installation
- Operation in large, open areas
- Wireless integration capabilities
- Connect and direct multimedia audio
- Batteries will support a full day in the classroom
- 5-year warranty (1-year on batteries)
